PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
Tuesday, October 6, 2020**

The annual meeting of stockholders (the “Annual Meeting”) of IMAC Holdings, Inc. (“IMAC”, the “Company”, “us”, “we”, or “our”) will be held on Tuesday, October 6, 2020, at our offices located at 1605 Westgate Circle, Brentwood, Tennessee 37027, at 11:00 a.m., local time.

Our board of directors (the “Board of Directors”) is soliciting your proxy to vote your shares of common stock at the Annual Meeting or any adjournments of that meeting. This proxy statement, which was prepared by our management for the Board of Directors, contains information about the matters to be considered at the Annual Meeting or any adjournments or postponements of the Annual Meeting. All proxies will be voted in accordance with the instructions they contain. If you do not specify your voting instructions on the proxy you submit for the Annual Meeting, it will be voted in accordance with the recommendation of the Board of Directors. You may revoke your proxy at any time before it is exercised at the Annual Meeting by giving our Secretary written notice to that effect. This proxy statement and our annual report are first being sent to stockholders on or about September 9, 2020.

ABOUT THE MEETING

What is being considered at the annual Meeting?

You will be voting for:

- the election of five directors to the Board of Directors;
- the ratification of the appointment of Daszkal Bolton LLP as auditors of the Company for 2020;
- the approval, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers; and
- the approval, on an advisory (non-binding) basis, the frequency of the future advisory votes on the compensation of the Company’s named executive officers (whether once every year, every two years or three years).

In addition, our management will report on our performance and respond to your questions.

The Board of Directors does not intend to present to the Annual Meeting any matters not referred to in this proxy statement. If any proposal not set forth in this proxy statement should be presented for action at the Annual Meeting, and is a matter which should come before the Annual Meeting, it is intended that the shares represented by proxies will be voted with respect to such matters in accordance with the judgment of the persons voting them.

When and where is the Annual Meeting going to be held?

The Annual Meeting will be held on Tuesday, October 6, 2020, at our offices located at 1605 Westgate Circle, Brentwood, Tennessee 37027, at 11:00 a.m., local time.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of our outstanding shares as of August 24, 2020, the record date, must be present at the meeting, in person or by proxy. This is referred to as a quorum. On September 9, 2020, we had 11,839,972 shares issued and outstanding.

Who can vote at the Annual Meeting?

You may vote if you owned common stock as of the close of business on August 24, 2020. Each share of stock is entitled to one vote.

Who is being nominated for director?

The only director candidates nominated for election at the Annual Meeting are Jeffrey S. Ervin, our Chief Executive Officer, Matthew C. Wallis, our Chief Operating Officer, David K. Ellwanger, George P. Hampton and Gerard M. Hayden, Jr.

What should I do if I receive more than one proxy card or other set of proxy materials from the Company?

If you hold your shares in multiple accounts or registrations, or in both registered and street name, you will receive a proxy card for each account. Please sign, date and return all proxy cards you receive from the Company. Only your latest dated proxy for each account will be voted. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Equity Stock Transfer, tel.: (212)-575-5757.

What is the difference between holding shares as a record holder and as a beneficial owner?

If your shares are registered in your name with the Company's transfer agent, Equity Stock Transfer, you are the "record holder" of those shares. If you are a record holder, these proxy materials will be provided directly to you.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the "beneficial owner" of those shares held in "street name." If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct such organization on how to vote your shares.

How do I vote?

If you are a stockholder of record, you may:

1. Vote by internet. The website address for internet voting is on your proxy card.
2. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card.
3. Vote by fax. Mark, sign, and date this proxy card and promptly return it by fax to (646) 201-9006, Attention: Shareholder Services.
4. Vote in person. Attend and vote at the Annual Meeting.

If you vote by internet or fax, please DO NOT mail your proxy card.

If you are a beneficial owner, you must follow the voting procedures of your nominee included with your proxy materials. If your shares are held by a nominee and you intend to vote at the Annual Meeting, please bring with you evidence of your ownership as of the record date (such as a letter from your nominee confirming your ownership or a bank or brokerage firm account statement) and a legal proxy from your nominee authorizing you to vote your shares.

The deadline for submitting a proxy by mail or electronically via the internet is 7:00 p.m. Eastern Time on October 5, 2020.

Will my shares be voted if I do not provide my proxy?

Under applicable rules, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain “discretionary” items, but it will not be allowed to vote your shares with respect to certain “non-discretionary” items. The ratification of Daszkal Bolton LLP as our independent registered public accounting firm is considered to be a discretionary item under applicable rules and your brokerage firm will be able to vote on that item even if it does not receive instructions from you, so long as it holds your shares in its name. The remaining items of business at the Annual Meeting are “non-discretionary” and if you do not instruct your broker how to vote with respect to such proposals, your broker may not vote with respect to these proposals and those votes will be counted as “broker non-votes.” “Broker non-votes” are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. Please see “*What vote is required to approve each of the matters to be considered at the Annual Meeting?*” for information regarding the vote required to approve the matters being considered at the Annual Meeting and the treatment of broker non-votes.

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

If your shares are held in street name, and you attend the Annual Meeting in person, you must bring an account statement or letter from your bank or brokerage firm showing that you are the beneficial owner of the shares as of the August 24, 2020 record date in order to be admitted to the meeting on October 6, 2020. To be able to vote your shares held in street name at the Annual Meeting, you will need to obtain a proxy card from the holder of record.

Can I change my mind after I vote?

Yes. A proxy may be revoked at any time prior to the voting at the Annual Meeting by submitting a later dated proxy (including a proxy authorization submitted by fax or electronically via the internet prior to the deadline for submitting a proxy by fax or via the internet), by sending a properly signed written notice of such revocation to the Company’s Secretary in advance of the Annual Meeting or by attending the Annual Meeting and voting in person. If your shares are held through a bank, broker or other nominee, you may change your voting instructions by submitting a later dated voting instruction form to your broker, bank or other nominee or fiduciary, or if you obtained a legal proxy from your broker, bank nominee or fiduciary giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

What if I return my proxy card but do not include voting instructions?

Proxy cards that are signed and returned but do not include voting instructions will be voted “FOR” the election of the nominee directors recommended by the Board of Directors, “FOR” the ratification of the appointment of Daszkal Bolton LLP, “FOR” the approval, on an advisory (non-binding) basis, the compensation of the Company’s named executive officers, and “FOR” the approval, on an advisory (non-binding) basis, annual future advisory votes on the compensation of the Company’s named executive officers.

What does it mean if I receive more than one proxy?

If you receive more than one proxy, it means that you hold shares of Common Stock that are registered in more than one account. For example, if you own your shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and you will need to sign and return, a separate proxy card for those shares because they are held in a different form of record ownership. Therefore, to ensure that all of your shares are voted, you will need to sign and return each proxy card you receive by mail.

Who can attend the Annual Meeting?

Only stockholders of record as of the close of business on August 24, 2020, or their duly appointed proxies, may attend the Annual Meeting. Stockholders will be asked to present a valid government-issued picture identification, such as a driver's license or passport. If you hold your shares through an account with a bank, broker or other nominee, you must obtain a valid proxy in your name from your bank, broker or other nominee and bring that proxy to the Annual Meeting, together with a valid government-issued picture identification and a copy of evidence from your bank, broker or other nominee (including a bank or brokerage statement) reflecting your Common Stock ownership as of August 24, 2020, the record date for the Annual Meeting. Cameras and video recording devices will not be permitted at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for any purpose germane to the Annual Meeting beginning ten days prior to the Annual Meeting during ordinary business hours at 1605 Westgate Circle, Brentwood, Tennessee 37027, the Company's principal place of business, and ending on the day prior to the Annual Meeting.

Do I need an admission ticket to attend the Annual Meeting?

Admission to the Annual Meeting will be by admission ticket only. If you are a stockholder of record and plan to attend the Annual Meeting, retain the top portion of your proxy card as your admission ticket and bring it and a valid government-issued picture identification with you so that you may gain admission to the meeting. If your shares are held through a bank, broker or other nominee, please contact your nominee and request that the nominee obtain an admission ticket for you or provide you with evidence of your share ownership, which will gain you admission to the Annual Meeting. Stockholders who do not obtain admission tickets in advance of the Annual Meeting may obtain them on the date of the Annual Meeting at the registration desk upon verifying their stock ownership as of the record date. All persons attending the Annual Meeting must present a valid government-issued picture identification along with their admission ticket or proof of beneficial ownership in order to gain admission to the Annual Meeting. Admission to the Annual Meeting will be expedited if admission tickets are obtained in advance. Admission tickets may be issued to others at the Company's discretion.

What vote is required to approve each of the matters to be considered at the Annual Meeting?

Proposal 1: Election of Directors. In an uncontested election, directors of the Company are elected by the affirmative vote of the majority of the shares of stock present in person or represented by proxy at the Annual Meeting having a quorum and entitled to vote on the subject matter. The election at the Annual Meeting will be uncontested. You may vote either "FOR" or "AGAINST" any one or more of the nominees. Under a majority of the votes standard, the shares voted "FOR" a nominee must exceed the number of shares voted "AGAINST" that nominee. An abstention will have the same effect as a vote "AGAINST" a nominee. **If you do not instruct your broker how to vote with respect to this item, your broker may not vote your shares with respect to the election of directors.** Any shares not voted by a stockholder will be treated as broker non-votes, and broker non-votes will have no effect on the results of the election of directors.

Proposal 2: Ratification of Independent Registered Public Accounting Firm. To be approved, this proposal to ratify our selection of an independent registered public accounting firm must receive an affirmative vote from stockholders present in person or represented by proxy at the Annual Meeting representing a majority of the votes cast on the proposal. Abstentions will have the same effect as a vote "AGAINST" this proposal. For this proposal, brokerage firms have authority to vote shares of their customers that are held in "street name." If a broker does not exercise this authority, it will result in a broker non-vote. Broker non-votes will have no effect on the outcome of this proposal.

Proposal 3: Approval of Executive Compensation. To be approved, this proposal to approve, on a non-binding, advisory basis, the compensation of our named executive officers must receive an affirmative vote from stockholders present in person or represented by proxy at the Annual Meeting representing a majority of the votes cast on the proposal. Abstentions will have the same effect as a vote “AGAINST” this proposal. If you do not instruct your broker how to vote with respect to this proposal, your broker may not vote your shares with respect to this proposal. Any shares not voted by a stockholder will be treated as broker non-votes, and broker non-votes will have no effect on the results with respect to this proposal

Proposal 4: Frequency of Approval of Executive Compensation. To be approved, this proposal to approve, on a non-binding, advisory basis, the frequency with which the compensation of our named executive officers is submitted for advisory stockholder approval (whether once every year, every two years or three years) must receive an affirmative vote from stockholders present in person or represented by proxy at the Annual Meeting representing a majority of the votes cast on the proposal. Abstentions will have the same effect as a vote “AGAINST” this proposal. If you do not instruct your broker how to vote with respect to this proposal, your broker may not vote your shares with respect to this proposal. Any shares not voted by a stockholder will be treated as broker non-votes, and broker non-votes will have no effect on the results with respect to this proposal.

How will votes be counted?

Each share of common stock will be counted as one vote according to the instructions contained on a proper proxy card, whether submitted in person, by mail, fax, internet, on a ballot voted in person at the Annual Meeting, or in accordance with the instructions provided by your broker. With respect to all proposals, shares will not be voted in favor of the matter, and will not be counted as voting on the matter, if they are broker non-votes. Assuming the presence of a quorum, abstentions and broker non-votes for a particular proposal will not be counted as votes cast to determine the outcome of a particular proposal.

Who will count the votes?

Representatives of Equity Stock Transfer, LLC, the transfer agent for our common stock (“Common Stock”), will tabulate the votes.

Will my vote be kept confidential?

Yes, your vote will be kept confidential and we will not disclose your vote, unless (1) we are required to do so by law (including in connection with the pursuit or defense of a legal or administrative action or proceeding) or (2) there is a contested election for the Board of Directors.

How does the Board of Directors recommend that I vote on the proposals?

The Board of Directors recommends that you vote on the proxy card:

“**FOR**” the election of each of the five nominees, Jeffrey S. Ervin, Matthew C. Wallis, David K. Ellwanger, George P. Hampton and Gerard M. Hayden, Jr., each for a term of one year (Proposal 1);

“**FOR**” the ratification of the selection of Daszkal Bolton LLP as our independent registered public accounting firm for the 2020 fiscal year (Proposal 2);

“**FOR**” the approval, on a non-binding, advisory basis, the compensation of our named executive officers (Proposal 3); and

“**FOR**” the approval, on a non-binding, advisory basis, of a frequency of stockholder advisory approval of the compensation of our named executive officers of **once every year** (Proposal 4).

Why are the executive compensation proposal (Proposal 3) and the future frequency of approval of executive compensation proposal (Proposal 4) being included among the items to be considered at the Annual Meeting?

We have included the executive compensation proposal (Proposal 3) and the future frequency of approval of executive compensation proposal (Proposal 4) among the items to be considered at the Annual Meeting in order to satisfy the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act of 1934. Our stockholders have not previously had the opportunity to hold an advisory vote on executive compensation or the frequency with which they will hold an advisory vote on executive compensation in the future.

Where can I find the voting results?

We will report the voting results in a current report on Form 8-K within four business days after the conclusion of our Annual Meeting.

How and when may I submit a stockholder proposal, including a stockholder nomination for director, for the Company's 2021 Annual Meeting?

If you are interested in submitting a proposal for inclusion in our proxy statement for the 2021 Annual Meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934, or the Exchange Act. To be eligible for inclusion, our Secretary must receive your stockholder proposal for our proxy statement for the 2021 Annual Meeting of Stockholders of the Company at our principal executive offices in Brentwood, Tennessee no earlier than June 8, 2021, and no later than July 8, 2021.

The stockholder's notice to the Secretary must set forth (1) as to each person whom the stockholder proposes to nominate for election as a director (a) his/her name, age, business address and residence address, (b) his/her principal occupation and employment, (c) the number of shares of Common Stock of IMAC which are owned beneficially or of record by him/her as well as, among other things, any derivative or synthetic instrument, convertible security, put, option, stock appreciation right or similar rights; (d) a description of any agreement, arrangement or understanding; and (e) any other information relating to the nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; (2) as to any other business that the stockholder proposes to bring before the 2021 annual meeting, (a) a brief description of the business desired to be brought before the 2021 annual meeting, (b) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such business includes a proposal to amend our bylaws, the language of the proposed amendment), (c) the reasons for conducting such business at the 2021 annual meeting, and (d) any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (3) as to the stockholder giving the notice (a) his/her name and record address and (b) the number of shares of IMAC's Common Stock that are owned beneficially or of record by him/her. The notice delivered by a stockholder must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected. The stockholder must be a stockholder of record on the date on which he/she gives the notice described above and on the record date for the determination of stockholders entitled to vote at the 2021 annual meeting.

If notice of any stockholder proposal is received before June 8, 2021, or after July 8, 2021, then the notice will be considered untimely and we are not required to present such proposal at the 2021 annual meeting.

These requirements are separate from and in addition to the requirements of the Securities and Exchange Commission (the "SEC") that a stockholder must meet in order to have a stockholder proposal included in our proxy statement.

Any proposals, nominations or notices should be sent to:

IMAC Holdings, Inc.
1605 Westgate Circle
Brentwood, Tennessee 37027
Attention: Corporate Secretary

What if I vote for some but not all of the proposals?

Shares of Common Stock represented by proxies received by the Company (whether received through the return of the enclosed proxy card or received by fax or via the internet) where the stockholder has provided voting instructions with respect to the proposals described in this proxy statement will be voted in accordance with the voting instructions so made. If your proxy card is properly executed and returned but does not contain voting instructions as to one or more of the proposals to be voted upon at the Annual Meeting, or if you give your proxy by fax or via the internet without indicating how you want to vote on each of the proposals to be voted upon at the Annual Meeting, your shares will be voted "FOR" the election of each of the director nominees and "FOR" each other proposal.

If your shares are held through a bank, broker or other nominee, and you do not properly instruct your bank, broker or other nominee how to vote your shares, your bank, broker or other nominee will not have discretion to direct the voting of your shares at the Annual Meeting and the votes represented by your shares will constitute broker non-votes. Banks, brokers and other nominees who hold shares of Common Stock for beneficial owners have the discretion to vote on routine matters when they have not received voting instructions from those beneficial owners at least ten days prior to the applicable meeting. On a non-routine matter, banks, brokers and other nominees do not have the discretion to direct the voting of the beneficial owners' shares (as they do on a routine matter), and, if the beneficial owner has not provided voting instructions with respect to that matter, there will be a "broker non-vote" on the matter. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, will be entirely excluded from the vote and will have no effect on the election of directors and will not be counted for purposes of determining the number of votes present in person or represented by proxy with respect to any of the other proposals. The Company urges you to provide instructions to your bank, broker or other nominee so that your votes may be counted for each proposal to be voted upon. You should provide voting instructions for your shares by following the instructions provided on the vote instruction form that you receive from your bank, broker or other nominee.

How can I access the proxy materials electronically?

Copies of the Notice of Annual Meeting, proxy statement and Annual Report on Form 10-K for the year ended December 31, 2019, as well as other materials filed by the Company with the SEC, are available without charge to stockholders on the Company's corporate website at www.imeacregeneration.com or upon written request to the Company at IMAC Holdings, Inc., 1605 Westgate Circle, Brentwood, Tennessee 37027. You can elect to receive future annual reports, proxy statements and other proxy materials electronically by marking the appropriate box on your proxy card or vote instruction form or by following the instructions provided if you submit a proxy by fax or via the internet.

What are the costs of soliciting these proxies and who will pay?

We will bear the costs of mailing the proxy statement and solicitation of proxies by Equity Stock Transfer, which we estimate to be approximately \$6,000. In addition to solicitations by mail, our directors, officers and regular employees may solicit proxies by telephone, email and personal communication. No additional remuneration will be paid to any director, officer or employee of the Company for such solicitation. We will request brokers, custodians and fiduciaries to forward proxy soliciting material to the owners of shares of our Common Stock that they hold in their names. To the extent necessary in order to assure sufficient representation, our officers and regular employees may request the return of proxies personally, by telephone or email. The extent to which this will be necessary depends entirely upon how promptly proxies are received, and stockholders are urged to send in their proxies without delay.

Who can help answer my questions?

If you have any additional questions about the Annual Meeting, the election of directors, any other proposal, how to submit your proxy, or if you need additional copies of this proxy statement or the enclosed proxy card or voting instructions, you should contact the Company or Equity Stock Transfer:

- IMAC Holdings, Inc., 1605 Westgate Circle, Brentwood, Tennessee 37027, or by phone at (844) 266-4622.
- Equity Stock Transfer by phone at (212)-575-5757.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one copy of our proxy statement and annual report may have been sent to multiple stockholders in your household unless we have received contrary instructions from one or more stockholders. We will promptly deliver a separate copy of either document to you if you contact us at the following address or telephone number: IMAC Holdings, Inc., 1605 Westgate Circle, Brentwood, Tennessee 37027, tel.: (844) 266-4622. Director Qualifications

The Board of Directors, acting through the Nominating and Governance Committee, is responsible for nominating a slate of director nominees that collectively have the complementary experience, qualifications, and skills and attributes to guide the Company and function effectively as a board. We believe that each of our nominees has the necessary professional experience to provide effective oversight of the Company’s business. We also believe each of our nominees has other attributes necessary to create an effective board, such as high personal and professional ethics, business and professional experience, integrity and values; practical wisdom and judgment; and a commitment to representing the long-term interests of all our stockholders. In addition to these attributes, in each individual’s biography set forth below, we have highlighted specific experience, qualifications, and skills that we believe qualify each individual to serve as a director of IMAC.

Director Biographies

The following is a brief account of our directors’ business experience:

Jeffrey S. Ervin co-founded our company in March 2015 and serves as our Chief Executive Officer and a member of our Board of Directors. Mr. Ervin earned his M.B.A. from Vanderbilt University and has a history of working within strategic finance roles in the healthcare and high tech industries. Following his M.B.A., Mr. Ervin was the Senior Financial Analyst and Vice President of Finance for the Baptist Hospital System of Nashville from 2006 to September 2011, responsible for sourcing and managing direct investments to satisfy pension obligations. After these five years, Mr. Ervin joined Medicare.com parent Medx Publishing in October 2011 as the senior financial officer tasked with building administrative functions to satisfy rapid growth in the CMS education sector. Mr. Ervin was also responsible for the disposition and ultimate sale of Medicare.com to eHealth Insurance.

As our Chief Executive Officer and a director, Mr. Ervin leads the Board and manages our company. Mr. Ervin brings extensive healthcare services industry knowledge and a deep background in growing early stage companies, mergers and acquisitions and capital market activities. His service as the Chief Executive Officer and a director creates a critical link between management and our Board of Directors.

Matthew C. Wallis, DC co-founded our company in March 2015 and serves as our Chief Operating Officer and a member of our Board of Directors. Dr. Wallis established the first Integrated Medicine and Chiropractic (IMAC) Regeneration Center in August 2000 and has led the Paducah, Kentucky center since then. As our Chief Operating Officer, Dr. Wallis, has implemented consistent operating efficiencies for our sales, marketing and service delivery operations. Dr. Wallis received a Doctor of Chiropractic (DC) degree from Life University.

Dr. Wallis' 20 years of experience in the healthcare services industry, day-to-day operational leadership of our initial Paducah, Kentucky medical clinic and in-depth knowledge of our company's rehabilitative services make him well qualified as a member of the Board.

David K. Ellwanger joined our Board of Directors in February 2019. Mr. Ellwanger was the President of Health Plan Operations and Senior Vice President for Development of Intercede Health, a private managed care company, from January 2016 to September 2019. At Intercede Health, Mr. Ellwanger was involved in acquiring and building Medicare Advantage programs. From March 2014 to December 2015, Mr. Ellwanger was the President of Hospital Systems and Physicians for Healthways, the largest population health company in the country at the time. From September 2001 to May 2006, Mr. Ellwanger was the President of HealthSpring, an HMO, PPO and Medicare Advantage plan provider. HealthSpring went public in February 2006 and was eventually sold to CIGNA. From April 1994 to July 1997, Mr. Ellwanger worked for InPhyNet Medical Management, where he ran multiple primary care clinics and PPO accepting full risk capitation from insurance payors. InPhyNet went public in 1994 and was sold to MedPartners in 1996. Mr. Ellwanger began his healthcare career in 1985 with Partners National Health Plans, which eventually was merged into Aetna Health Plans. Mr. Ellwanger earned a B.B.A. degree in finance and financial management services from the University of Georgia.

Mr. Ellwanger has more than 34 years of experience operating insurance companies, physician practices and hospitals. Using this experience, Mr. Ellwanger brings insight to the Board and, in particular, with regard to aligning incentives across constituents for long-term results. Additionally, Mr. Ellwanger was part of several management teams that took companies public, such as HealthSpring and InPhyNet Medical Management. Mr. Ellwanger's experience and expertise in relevant market areas make him well qualified as a member of our Board of Directors.

George P. Hampton joined our Board of Directors in February 2019. Mr. Hampton has served as Chief Executive Officer of Currax Pharmaceuticals since April 2019. Mr. Hampton was Executive Vice President of the primary care business unit for Horizon Pharmaceuticals, a publicly-traded biopharmaceuticals company, from February 2016 to October 2018. Mr. Hampton led Horizon Pharmaceuticals' forward-looking strategy and established operational goals for the business. From April 2015 to February 2016, he was the Executive Vice President, global orphan business unit and international operations for Horizon Pharmaceuticals. From October 2008 to December 2014, Mr. Hampton served as a consultant to Horizon Pharmaceuticals focusing on preparing the company for the commercialization of its first product. Mr. Hampton has been involved in more than ten product launches in roles of increasing responsibility in sales, international marketing and operations at G.D. Searle (1992 to 2002), Abbott (now AbbVie) (2002 to 2005), and Amylin Pharmaceuticals (July 2007 to February 2009). Mr. Hampton earned a B.A. degree from Miami University in Oxford, Ohio.

Mr. Hampton has more than 27 years of experience as a successful executive in the pharmaceutical and biotech field on both a national and international scale including specific expertise in the autoimmune, primary care, orthopedic, diabetes, anti-infectives and cardiovascular spaces, making his input invaluable to our Board of Directors' discussions.

Gerard M. Hayden, Jr. joined our Board of Directors in February 2020. Mr. Hayden is an independent consultant engaged with a variety of healthcare businesses. From May 2008 to March 2019, Mr. Hayden was Senior Vice President and Chief Financial Officer for HealthStream, Inc., (NASDAQ: HSTM), a company dedicated to improving patient outcomes through the development of healthcare organizations' greatest asset: their people. From September 2006 to April 2008, he also served on HealthStream's Board of Directors and Audit Committee. Prior to HealthStream, from 2007 to 2008, he served as Chief Financial Officer for Medavant Healthcare Solutions. Mr. Hayden received a M.S. degree from Northeastern University and a B.A. degree in government and international studies from the University of Notre Dame. Mr. Hayden's extensive knowledge of finance, accounting and operational matters relevant to the Company's business makes him well qualified as a member of our Board of Directors.

Mr. Hayden's nearly ten years of experience as Chief Financial Officer of a Nasdaq-listed company should be helpful as we build broader awareness with Wall Street. Mr. Hayden's experience and expertise in relevant market areas make him well qualified as a member of our Board of Directors.

Board Recommendation

The Board of Directors unanimously recommends a vote on the proxy card "**FOR**" the election each of the directors listed above.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF DASZKAL BOLTON LLP AS AUDITORS FOR 2020

Our Audit Committee charter provides that the Audit Committee shall appoint annually a firm of independent registered public accountants to serve as auditors. The Audit Committee has appointed Daszkal Bolton LLP to act as auditors for our fiscal year ending December 31, 2020.

If this proposal is not approved at the annual meeting, our Audit Committee will reconsider the selection of Daszkal Bolton LLP for the ensuing fiscal year, but may determine that continued retention of Daszkal Bolton LLP is in our Company's and our stockholders' best interests. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our Company's and our stockholders' best interests.

We expect representatives of Daszkal Bolton LLP to be present telephonically at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from stockholders.

Board Recommendation

Our Board of Directors unanimously recommends that our stockholders vote "**FOR**" ratification of the appointment of Daszkal Bolton LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2020 on the proxy card.

PROPOSAL 3:

ADVISORY, NON-BINDING VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act requires that we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Our compensation programs are designed to effectively align our executives' interests with the interests of our stockholders by focusing on long-term equity incentives that correlate with the growth of sustainable long-term value for our stockholders. Stockholders are urged to read the section titled "Executive Compensation" in this Proxy Statement, which discusses how our executive compensation policies and practices implement our compensation philosophy and contains tabular information and narrative discussion about the compensation of our named executive officers. Our Compensation Committee believes that the objectives of our executive compensation program, as they relate to our named executive officers, are appropriate for a company of our size and stage of development and that our compensation policies and practices help meet those objectives. In addition, our Compensation Committee believes that our executive compensation program, as it relates to our named executive officers, achieves an appropriate balance between fixed compensation and variable incentive compensation. Our Board of Directors and our Compensation Committee believe that our policies and practices are effective in implementing our compensation philosophy and in achieving our compensation program goal. Accordingly, we are asking our stockholders to approve the compensation of our named executive officers.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Based on the above, we request that stockholders indicate their support, on a non-binding advisory basis, for the compensation of our named executive officers as described in this Proxy Statement by voting "**FOR**" the following resolution:

"RESOLVED, that the stockholders of IMAC Holdings, Inc. approve, on an advisory basis, the compensation paid to IMAC Holdings, Inc.'s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Compensation section, the compensation tables and the narrative discussion in IMAC Holdings, Inc.'s 2020 proxy statement."

As an advisory vote, this proposal 3 is non-binding. Although the vote is non-binding, our Board of Directors and our Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Board Recommendation

The Board of Directors unanimously recommends a vote "**FOR**" the approval, on a non-binding advisory basis, of the compensation of our named executive officers as disclosed in this Proxy Statement.

PROPOSAL 4:

ADVISORY, NON-BINDING VOTE ON THE FREQUENCY OF FUTURE ADVISORY, NON-BINDING VOTES TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act provides that stockholders must be given the opportunity to vote, on a non-binding advisory basis, for their preference as to how frequently we should seek future non-binding advisory votes to approve the compensation of our named executive officers, as disclosed in accordance with the compensation disclosure rules of the SEC, which we refer to as an advisory vote to approve the compensation of our named executive officers.

By voting with respect to this proposal, stockholders may indicate whether they would prefer that we conduct future non-binding advisory votes to approve the compensation of our named executive officers every one, two or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal. Our Board of Directors has determined that an annual advisory vote to approve the compensation of our named executive officers will enable our stockholders to provide the Company with input regarding the compensation of our named executive officers on a timely basis.

Stockholders will not be voting to approve or disapprove of the recommendation of our Board of Directors. The proxy card provides stockholders with the opportunity to choose among four options with respect to this proposal (holding the vote every one, two or three years, or abstaining). The option that receives the highest number of votes from the voting power of shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon will be deemed to be the frequency preferred by our stockholders. Abstentions and broker non-votes will have no effect on this proposal.

As an advisory vote, this proposal will not be binding on the Company, our Board of Directors or our Compensation Committee in any way. As such, the results of the vote will not be construed to create or imply any change to the fiduciary duties of our Board of Directors. Our Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold a non-binding advisory vote on our named executive officer compensation more or less frequently than the option approved by our stockholders. Notwithstanding the non-binding advisory nature of this vote, the Company recognizes that the stockholders may have different views as to the best approach for the Company and looks forward to hearing from stockholders as to their preferences on the frequency of a non-binding advisory vote on executive compensation.

Vote Required and Board Recommendation

The frequency of one year, two years or three years that receives the affirmative vote of a majority of votes cast will be deemed to be the recommended frequency, on an advisory, non-binding basis, of future advisory votes on the compensation of our named executive officers. You may vote for a frequency of future stockholder votes on executive compensation of every "ONE YEAR," "TWO YEARS," or "THREE YEARS" or "ABSTAIN." If no frequency receives the majority of the foregoing vote, then we will consider the option of one year, two years or three years that received the highest number of votes cast to be the frequency recommended by stockholders. Abstentions and broker non-votes will not affect the outcome of this proposal, other than counting towards the quorum of the Annual Meeting.

The Board of Directors unanimously recommends a vote for the option of **one year** as the preferred frequency for future advisory, non-binding votes to approve the compensation of the company's named executive officers.

CORPORATE GOVERNANCE

Board Leadership

Jeffrey S. Ervin serves as Chief Executive Officer and Chairman of the Board of Directors. As Chairman, Mr. Ervin leads the Board of Directors in its discussions. As Chief Executive Officer, Mr. Ervin is responsible for implementing the Company's strategic and operating objectives and day-to-day decision-making related to such implementation.

The Board of Directors currently has three standing committees (audit, compensation, and nominating and governance) that are chaired and composed entirely of directors who are independent under Nasdaq and SEC rules. Given the role and scope of authority of these committees, and that a majority of the Board of Directors is composed of independent directors, the Board of Directors believes that its leadership structure is appropriate. We select directors as members of these committees with the expectation that they will be free of relationships that might interfere with the exercise of independent judgment.

Our Board of Directors is our Company's ultimate decision-making body, except with respect to those matters reserved to the stockholders. Our Board of Directors selects our senior management team, which is charged with the conduct of our business. Our Board of Directors acts as an advisor and counselor to senior management and oversees its performance.

Board Composition

Our business and affairs are managed under the direction of our Board of Directors. The number of directors is determined by our board of directors, subject to the terms of our certificate of incorporation and bylaws. Our board of directors currently consists of five members, three of which are independent directors.

Director Independence

Our common stock and warrants are listed for trading on The NASDAQ Capital Market. Under Nasdaq rules, independent directors must comprise a majority of a listed company's board of directors. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and governance committees must be independent. Under Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee: (i) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (ii) be an affiliated person of the listed company or any of its subsidiaries.

Our Board of Directors undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that Messrs. Ellwanger, Hampton and Hayden, representing a majority of our directors, do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under Nasdaq rules. In making these determinations, our Board of Directors considered the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Code of Ethics

We have adopted a Code of Business Ethics and Conduct (“Ethics Code”) that applies to all our officers, directors, employees, and contractors. The Ethics Code contains general guidelines for conducting our business consistent with the highest standards of business ethics and compliance with applicable law, and is intended to qualify as a “code of ethics” within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and Item 406 of Regulation S-K. Day-to-day compliance with the Ethics Code is overseen by the Company compliance officer appointed by our Board of Directors. If we make any substantive amendments to the Ethics Code or grant any waiver from a provision of the Ethics Code to any director or executive officer, we will promptly disclose the nature of the amendment or waiver on our website at <https://ir.imacregeneration.com>.

Board of Directors Meetings

There were nine meetings of the Board of Directors in 2019. There have been eight meetings of the Board of Directors so far during the 2020 fiscal year. All directors attended all meetings of the Board of Directors either in-person or telephonically.

Board Committees

Our Board of Directors has three standing committees: an audit committee, a compensation committee and a nominating and governance committee. Under Nasdaq rules, the membership of the audit committee is required to consist entirely of independent directors, subject to applicable phase-in periods. The following is a brief description of our committees.

Audit committee. In accordance with our audit committee charter, our audit committee oversees our corporate accounting and financial reporting processes and our internal controls over financial reporting; evaluates the independent public accounting firm’s qualifications, independence and performance; engages and provides for the compensation of the independent public accounting firm; approves the retention of the independent public accounting firm to perform any proposed permissible non-audit services; reviews our consolidated financial statements; reviews our critical accounting policies and estimates and internal controls over financial reporting; and discusses with management and the independent registered public accounting firm the results of the annual audit and the reviews of our quarterly consolidated financial statements. We believe that our audit committee members meet the requirements for financial literacy under the current requirements of the Sarbanes-Oxley Act, Nasdaq and SEC rules and regulations. In addition, the Board of Directors has determined that David K. Ellwanger is qualified as an audit committee financial expert within the meaning of SEC regulations. We have made this determination based on information received by our Board of Directors, including questionnaires provided by the members of our audit committee. The audit committee is composed of Messrs. Ellwanger (Chairman), Hampton and Hayden.

Compensation committee. In accordance with our compensation committee charter, our compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees, including reviewing and approving corporate goals and objectives relevant to compensation of the Chief Executive Officer and other senior officers, evaluating the performance of these officers in light of those goals and objectives and setting compensation of these officers based on such evaluations. The compensation committee also administers the issuance of stock options and other awards under our equity-based incentive plans. We believe that the composition of our compensation committee meets the requirements for independence under, and the functioning of our compensation committee complies with, any applicable requirements of the Sarbanes-Oxley Act, Nasdaq and SEC rules and regulations. We intend to comply with future requirements to the extent they become applicable to us. The compensation committee is composed of Messrs. Hampton (Chairman) and Hayden.

Nominating and governance committee. In accordance with our nominating and governance committee charter, our nominating and governance committee recommends to the Board of Directors nominees for election as directors, and meets as necessary to review director candidates and nominees for election as directors; recommends members for each committee of the Board of Directors; oversee corporate governance standards and compliance with applicable listing and regulatory requirements; develops and recommends to the Board of Directors governance principles applicable to the Company; and oversee the evaluation of the Board of Directors and its committees. We believe that the composition of our nominating and governance committee meets the requirements for independence under, and the functioning of our compensation committee complies with, any applicable requirements of the Sarbanes-Oxley Act, Nasdaq and SEC rules and regulations. We intend to comply with future requirements to the extent they become applicable to us. The nominating and governance committee is composed of Messrs. Hayden (Chairman) and Hampton.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee is an executive officer or employee of our company. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or compensation committee.

Limitations on Director and Officer Liability and Indemnification

Our Certificate of Incorporation limits the liability of our directors to the maximum extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except liability for:

- any breach of their duty of loyalty to the corporation or its stockholders;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

Our Certificate of Incorporation and our bylaws provide that we are required to indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. Any repeal of or modification to our Certificate of Incorporation and our bylaws may not adversely affect any right or protection of a director or officer for or with respect to any acts or omissions of such director or officer occurring prior to such amendment or repeal. Our bylaws will also provide that we shall advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in connection with their services to us, regardless of whether our bylaws permit such indemnification.

We intend to enter into separate indemnification agreements with our directors and executive officers, in addition to the indemnification provided for in our bylaws. These agreements, among other things, will provide that we will indemnify our directors and executive officers for certain expenses (including attorneys' fees), judgments, fines, penalties and settlement amounts incurred by a director or executive officer in any action or proceeding arising out of such person's services as one of our directors or executive officers, or any other company or enterprise to which the person provides services at our request. We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers.

The limitation of liability and indemnification provisions that are contained in our Certificate of Incorporation and our bylaws may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. There is no pending litigation or proceeding involving one of our directors or executive officers as to which indemnification is required or permitted, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

The Board of Directors' Role in Risk Oversight

Our Board of Directors, as a whole and also at the committee level, has an active role in managing enterprise risk. The members of our Board of Directors participate in our risk oversight assessment by receiving regular reports from members of senior management and the Company compliance officer appointed by our Board of Directors on areas of material risk to us, including operational, financial, legal and regulatory, and strategic and reputational risks. The compensation committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The audit committee oversees management of financial risks, as well as our policies with respect to risk assessment and risk management. The nominating and governance committee manages risks associated with the independence of our Board of Directors and potential conflicts of interest. Members of the management team report directly to our Board of Directors or the appropriate committee. The directors then use this information to understand, identify, manage, and mitigate risk. Once a committee has considered the reports from management, the chairperson will report on the matter to our full Board of Directors at the next meeting of the Board of Directors, or sooner if deemed necessary. This enables our Board of Directors and its committees to effectively carry out its risk oversight role.

Communications with our Board of Directors

Any stockholder may send correspondence to our Board of Directors, c/o IMAC Holdings, Inc., 1605 Westgate Circle, Brentwood, Tennessee 37027 and our telephone number is (844) 266-IMAC (4622). Our management will review all correspondence addressed to our Board of Directors, or any individual director, and forward all such communications to our Board of Directors or the appropriate director prior to the next regularly scheduled meeting of our Board of Directors following the receipt of the communication, unless the Corporate Secretary decides the communication is more suitably directed to Company management and forwards the communication to Company management. Our management will summarize all stockholder correspondence directed to our Board of Directors that is not forwarded to our Board of Directors and will make such correspondence available to our Board of Directors for its review at the request of any member of our Board of Directors.

Indebtedness of Directors and Executive Officers

None of our directors or executive officers or their respective associates or affiliates is currently indebted to us.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act requires our executive officers, directors and holders of more than 10% of our equity securities to file reports of ownership and changes in ownership of our securities (Forms 3, 4 and 5) with the SEC. To the best of our knowledge, based solely on a review of the Section 16(a) reports and written statements from executive officers and directors, for the year ended December 31, 2019, all required reports of executive officers, directors and holders of more than 10% of our equity securities were filed on time, except for any such reports which may have been filed late due to administrative delays.

Family Relationships

There are no family relationships among our directors and executive officers.

Director Attendance at Annual Meetings

Our Board of Directors encourages director attendance at our annual meetings of stockholders. This is our Company's first annual meeting.

Policies and Procedures for Transactions with Related Persons

Our Board of Directors intends to adopt a written related person transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. Related persons include any executive officer, director or a holder of more than 5% of our common stock, including any of their immediate family members and any entity owned or controlled by such persons. Related person transactions refers to any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which (i) we were or are to be a participant, (ii) the amount involved exceeds \$120,000, and (iii) a related person had or will have a direct or indirect material interest. Related person transactions include, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness, and employment by us of a related person, in each case subject to certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act.

We expect that the policy will provide that in any related person transaction, our audit committee and Board of Directors will consider all of the available material facts and circumstances of the transaction, including: the direct and indirect interests of the related persons; in the event the related person is a director (or immediate family member of a director or an entity with which a director is affiliated), the impact that the transaction will have on a director's independence; the risks, costs and benefits of the transaction to us; and whether any alternative transactions or sources for comparable services or products are available. After considering all such facts and circumstances, our audit committee and Board of Directors will determine whether approval or ratification of the related person transaction is in our best interests. For example, if our audit committee determines that the proposed terms of a related person transaction are reasonable and at least as favorable as could have been obtained from unrelated third parties, it will recommend to our Board of Directors that such transaction be approved or ratified. In addition, if a related person transaction will compromise the independence of one of our directors, our audit committee may recommend that our Board of Directors reject the transaction if it could affect our ability to comply with securities laws and regulations or Nasdaq listing requirements.

Audit Committee Pre-Approval of Services by Independent Registered Public Accounting Firm

Section 10A(i)(1) of the Exchange Act and related SEC rules require that all auditing and permissible non-audit services to be performed by our principal accountants be approved in advance by the audit committee of the Board of Directors. Pursuant to Section 10A(i)(3) of the Exchange Act and related SEC rules, the audit committee has established procedures by which the Chairman of the audit committee may pre-approve such services provided that the pre-approval is detailed as to the particular service or category of services to be rendered and the Chairman reports the details of the services to the full audit committee at its next regularly scheduled meeting.

The audit committee has considered the services provided by Daszkal Bolton LLP as disclosed above in the captions "audit fees" and "tax fees" and has concluded that such services are compatible with the independence of Daszkal Bolton LLP as our principal accountant.

Our Board of Directors has considered the nature and amount of fees billed by our independent auditors and believes that the provision of services for activities unrelated to the audit is compatible with maintaining our independent auditors' independence.

AUDIT COMMITTEE REPORT

As of the end of the fiscal year 2019, the Audit Committee consisted of three members of the Board of Directors of IMAC Holdings, Inc., each of whom was independent of the Company and its management, as defined in the NASDAQ Listing Rules. The Board of Directors has adopted, and periodically reviews, the audit committee charter. The charter specifies the scope of the audit committee's responsibilities and how it carries out those responsibilities.

The audit committee reviews management's procedures for the design, implementation, and maintenance of a comprehensive system of internal controls over financial reporting and disclosure controls and procedures focused on the accuracy of our financial statements and the integrity of our financial reporting systems. The audit committee provides the Board of Directors with the results of its examinations and recommendations and reports to the Board of Directors as it may deem necessary to make the Board of Directors aware of significant financial matters requiring the attention of the Board of Directors.

The audit committee does not conduct auditing reviews or procedures. The audit committee monitors management's activities and discusses with management the appropriateness and sufficiency of our financial statements and system of internal control over financial reporting. Management has primary responsibility for the Company's financial statements, the overall reporting process and our system of internal control over financial reporting. Our independent registered public accounting firm audits the financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present our financial position, results of operations and cash flows in conformity with accounting principles generally accepted in the United States and discusses with the audit committee any issues they believe should be raised with us.

The audit committee reviews reports from our independent registered public accounting firm with respect to their annual audit and approves in advance all audit and non-audit services provided by our independent auditors in accordance with applicable regulatory requirements. The audit committee also considers, in advance of the provision of any non-audit services by our independent registered public accounting firm, whether the provision of such services is compatible with maintaining their independence.

In accordance with its responsibilities, the audit committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2019 and the process designed to achieve compliance with Section 404 of the Sarbanes-Oxley Act of 2002. The audit committee has also discussed with our independent registered public accounting firm, Daszkal Bolton LLP ("DB"), the matters required to be discussed by Auditing Standard No. 16, "Communications with audit committees" issued by the Public Company Accounting Oversight Board ("PCAOB"). The audit committee has received the written disclosures and letter from DB required by applicable requirements of the PCAOB regarding the communications of DB with the audit committee concerning independence, and has discussed with DB its independence, including whether the provision by DB of non-audit services, as applicable, is compatible with its independence.

Based on these reviews and discussions, the audit committee recommended to the Board of Directors that the Company's audited financial statements for the year ended December 31, 2019 be included in Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019.

EXECUTIVE COMPENSATION

In considering our executive compensation policies and practices, we seek to balance our interest in limiting operating expenses and minimizing stockholder dilution with our interest in using compensation to attract, retain and motivate employees. In reconciling these competing concerns, we strive to act in the long-term best interests of the Company and our stockholders. The elements of our executives' total compensation are base salary, cash incentive awards, stock incentive awards, bonuses and other employee benefits.

The Compensation Committee of our Board of Directors has considered whether our executive compensation program creates risks that are reasonably likely to have a material adverse effect on the Company and has concluded that it does not. In reaching its conclusion, the Committee considered the Company's strategic goals and operational practices and evaluated the design of its compensation programs to assess whether these programs foster a business environment that might drive inappropriate decision-making or behavior. The majority of our management's cash compensation typically consists primarily of base salary, which we believe mitigates inappropriate or excessive risk-taking that could harm stockholder value. To the extent that executives receive equity incentive awards, historically such awards have been long-term awards that were intended to align executives' interests with those of our stockholders.

The following table sets forth summary compensation information for the following persons: (i) all persons serving as our principal executive officer during the years ended December 31, 2019 and 2018, and (ii) our two other most highly compensated executive officers who received compensation during the years ended December 31, 2019 and 2018 of at least \$100,000 and who were executive officers on December 31, 2019 and 2018.
